1. Highlight the assessments that are relevant to your teaching group.
2. Map out when you are going to revise for each subject prior to your assessment. Remember in most cases this will be in the form of completing the revision homework/ tasks set by your teacher. It may be that some days/ evenings you can do 2 subjects. You set the time slots that are most appropriate to you. (e.g. 4:30 - 5:30 and 7:30 - 8:30)
3. Remember revision is best done in a quiet space and for regular short periods of time.
4. Your revision should start well before the assessment period. Please use the section to the left to assist your preparation prior to the assessment period.

Please note:

Y7 students do not have lessons in Chemistry this term. Therefore, no assessments are listed on the October Assessment timetable.
