HOW YOU CAN HELP

Partnership

You can find the Pupil Premium statement on the school website. This is our financial plan to show how the additional funding will be used for the year ahead. There is also an evaluation of the financial plan from the previous year.Contact will be made with you at different points in the year where you will have the opportunity to discuss the use of the Pupil Premium funding with your child's Pastoral Lead or class teacher.

Attendance

Being absent from school can lead to pupils feeling disconnected from their peers and missing out on valuable social interaction and falling behind academically. We have a particular focus on ensuring that all pupils attend school for 97% of the time. If your child is not in school, please talk to us so we can work together.

Breaking down barriers

Communication is about having an open, two-way relationship. If you require any support, please contact your child's pastoral leader or class teacher. The finance team at your school can also be contacted about support as well as advice and guidance on the Pupil Premium.
