

Guide for accessing and submitting work on google classroom

Classwork and homework can be accessed, edited and submitted on google classroom using the following guide:

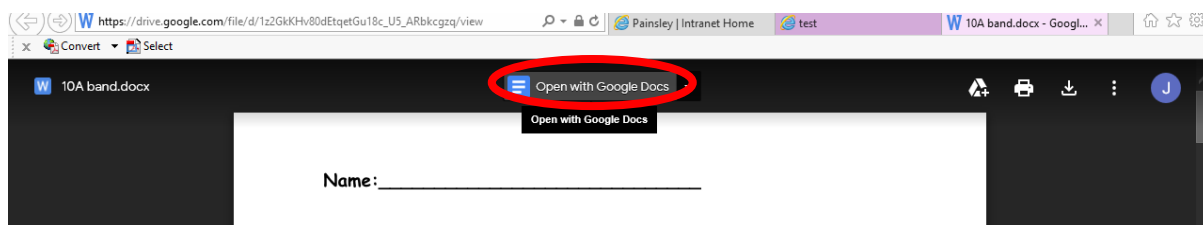

1. Click on the relevant classroom.
2. Click the 'Classwork' tab.
3. Select the assignment that your teacher has indicated and click view assignment.

4. Click on the document (if Google docs opens, go to step 6) and then click the three dots in the top right and select 'open in new window'.

5. Click 'Open with Google Docs' at the top to edit the document.

6. You can now edit the document online. It saves automatically so just close the tab when you are done. (TOP TIP- you should underline your answers so that you can clearly see the difference between the question and your answer).
