

How to submit using SMHW

1. At the top of the task look for the "Submit" at the top. *If "Submit" isn't there check with your teacher that they have set it for online submission.*

2. Click on submit and you get a new screen. You can type your answers into the box or click "add attachments" to add a photo etc.

3. Click on the green button which will be bright once you have added your work.
