As we hopefully start to come out of lockdown, we understand that parents may need uniform for their children to re-start school or may be planning ahead for September Back to School.

During this time of uncertainty we have put measures in place to make the purchase of uniform as easy as possible by using our mail order service.

At National Schoolwear Centres we do not offer on line ordering. We have found over a period of years, that this process adds more stress and frustration as over 85% of orders are returned due to wrong sizes being chosen.

Our garments come from different suppliers, each of those may have a different sizing structure, so you may need a 34" in a blazer but only a 32" in a blouse. You may need a 28" in a skirt but a 30" in trousers. We understand all of this and this is what we do. By offering mail order our way, we get our sizings right 99% of the time.

We like to get things right the first time.

So either contact us on Facebook (National Schoolwear Centres, Hanley) or email us on the address above. Let us know what your requirements are and leave us a contact number. We will call you back to discuss sizings, confirm cost and take payment.

As we are closed at the moment due to Covid-19, deliveries can take upto 10 days to arrive.

As the lockdown eases and we are able to re-open we will be implementing best practice to ensure that you, your family and our staff are all protected and we will advise you of these practices at a later date. Keep checking our Facebook page.

In the meantime. Stay safe, stay at home. Protect everyone
