Transport terms and conditions addendum to deal with the national coronavirus outbreak and to keep all students and staff safe

All parents and students agree to the following measures when using school transport:

Pupils will receive their bus pass with a seat number on (like a reserved train or plane ticket). Pupils must sit in their designated seat as it will ensure that the student remains part of his/her bubble. **Failure to do so will result in the child being banned from the school transport with no refund issued.**

Pupils must carry their designated pass at all times. Failure to do so may result in a driver not being able to carry a pupil on the school transport.

Pupils must use hand sanitiser upon boarding and/or disembarking. This will be provided on the transport (students can use their own as long as this can be demonstrated to the driver).

Additional cleaning of vehicles to take place by the transport operators.

Pupils must queue in an orderly fashion with 1m plus between each person. Pupils own face coverings are to be worn as students wait to embark on the coach. If your child is exempt from wearing a facemask due to medical conditions please notify the school immediately.

Pupils must use their own face coverings on the transport. Drivers will wear face coverings.

A small number of spare face coverings will be available if a student forgets their mask. The student's name will be taken and school informed. **Repeat offenders will face the possibility of a ban from the bus and a charge for the face covering(s).**

For those using public transport, face coverings must be worn.

Pupils must not touch the front of their face covering during use or when removing them. They must clean their hands immediately on arrival at school (as is the case for all pupils), dispose of temporary face coverings in a covered bin or place reusable face coverings in a plastic bag they can take home with them, and then wash their hands again before heading to their classroom. This will be monitored by staff upon arrival.
