21st December, 2020

NHS Test and Trace consent form for COVID-19 testing

This consent form has been designed for use by parents and guardians of students under 16, and students over 16.

- **For pupils and students younger than 16 years** - this form must be read by the parent or legal guardian. One consent record for each under 16 years of age child you wish to enrol must be completed against their Parent Pay record (see below).
- **Pupils and students over 16** can complete the consent form themselves in college, having discussed participation with their parent / guardian if under 18.

Consent:

1. I have had the opportunity to consider the information provided by the college about the testing based on the information presented in the letter dated 21st December 2021.
2. In the case of under 16s, I have discussed the testing with my child and my child is happy to participate. If on the day of testing they do not wish to take part, then they will not be made to do so and consent can be withdrawn at any time ahead of the test.
3. I consent to my child having a nose and throat swab for a lateral flow test. This will normally be a self-swab (under supervision) but assistance will be given as required.
4. I consent that my child's sample(s) will be tested for the presence of COVID-19.
5. I understand that if my child's result(s) are negative on the lateral flow test I will not be contacted by the college except where they/you are a close contact of a confirmed positive.
6. If the lateral flow test indicates the presence of COVID-19, I consent to my child having a nose and throat swab for confirmatory PCR testing, which shall be sent the same day to an NHS Test & Trace laboratory.
7. I consent that they will need to self-isolate following a positive lateral flow test result, until the results of the confirmatory PCR have been received.
8. I agree that if my child's test results are confirmed to be positive from this PCR test, I will report this to the college and I understand that my child will be required to self-isolate following public health advice.
9. I consent that if a close contact of my child tests positive but my child has tested negative, they will continue to attend college but will be tested every day at school / college for 7 days.

10. Data will be stored and shared with NHS Test and Trace and other government/local authority agencies as required. The existing Privacy Notice outlines how we use and process data including your rights.

We strongly recommend that, for the health and safety of our community, you give consent for your child to be included in the lateral flow tests and understand that data will be shared with NHS Test and Trace and other relevant agencies as required. If this is the case, please access your Parent Pay account, select this letter i.e:

Click 'View'

Then click this box:

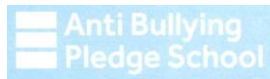

Finally, click 'confirm attendance'.

If you do not wish your child to take part in the lateral flow tests please **do nothing i.e do not respond to this letter on Parent Pay.**

If you would like any further information on the testing process, please contact office@painsley.staffs.sch.uk on Monday 4th January so we can reassure you of the process. Thank you for your support at this difficult time.

Yours faithfully,

Mrs Waugh
