Dear Parent/Carer

I thank the students this week for being sensible and cautious with the changes to wearing face masks in school. It is crucially important that students continue to test twice weekly and record their results with NHS Test and Trace and also via the school website.

I congratulate the Year 12 business students who have recently taken part in the ICAEW competition. The students had to analyse a business and present recommendations around financial accountancy based issues. We are pleased to announce that one of our teams has made it to this year's national final. We wish the students every success in the final and thank Mr Bradbury for supporting the students.

As a reminder, students' achievement and conduct point will be totalled at May half-term. The top 10% of students in each year group will be eligible for our rewards trips this year. Students who total over 300 positive conduct points or have had no behaviour points but do not reach the top 10% will be entered into a raffle at the end of the academic year. It is a timely reminder for students to ensure they are working towards these thresholds.

As we say farewell to our Year 11 and 13 students at the end of next week, I am sure the entire community wishes the students well as they move onto the next phase of their journey. It has been a privilege and joy to serve the students and we hope they take the spirit of Painsley with them.

It is highly appropriate that this weekend we celebrate the Feast of Pentecost (John 20 10-23), the end of the Easter season. The night Jesus appeared to the disciples, he said 'Peace be with you. As the father has sent me, so am I sending you', and the disciples were blessed with the Holy Spirit to support their mission. As Year 11 and 13 move on, we pray that God accompanies them on their journey and they are blessed with the Holy Spirit to give them strength to always witness the faith.

God bless

Mrs Waugh
