Dear Parent/ Carer

We have had a very poignant week in school. The Art department created a wonderful display at the front of the school for Remembrance Day and I know many staff, students and parents have been touched by the display. Yesterday, students were also invited to take part in a 2 minutes silence in remembrance for all those lost in wars.

Today we also shared in COP26 lessons across the college. In all period 5 lessons students considered our responsibilities for God’s creation and what we can do to play our part as stewards. The day was a designated non-uniform day with a requested £1 donation which will go to CAFOD.

It was marvellous to share in the students’ achievements by rewarding them for their efforts in our rewards assemblies. It has been a long time since we have been able celebrate in person.

Year 11 have been able to take part in taster session for a number of A level, T level and BTEC qualifications in advance of their sixth form application deadline of 1st December. Year 11 also participated in visits to Salford Quays as part of the geography curriculum. We were also able to welcome Year 4 students from the primary schools to our MFL day on Monday and Year 7 had their first Parents’ Evening.

It was fantastic to see our sixth form netball and football teams in action this week. The netball team played very well and the football team beat Stoke Sixth Form College 6-5 on penalties as part of the U18 County Cup competitions.

We hope to start issuing lockers in College next week, starting with Year 7. All students will be allocated a locker or shared locker which will help students store coats/bags etc. when they are not in use. There are a number of conditions that all students are expected to adhere to, these are outlined for your information. I must thank the PTA who have invested a significant amount of money in replacing lockers for students and it is crucial that they are looked after with the care and respect we expect from our students. Students can access their lockers before school, breaktime, the beginning and end of lunchtime and at the end of the college day. They cannot access lockers between period 1 and 2 or 4 and 5 and therefore must take everything with them.

In the week ahead, I remind you that Monday is an INSET day in school, so no students should attend. Year 10 will participate in a wellbeing at work event and Years 9 and 10 art students will be visiting the Yorkshire Sculpture Park.

In the Gospel on Sunday we hear of the coming of the Son of Man (Mark 13: 24-32). It is a timely reminder that we should always be ready for the coming of the Son of Man by our words and actions to others.

God Bless
