Friday, 6th May 2022

Dear Parent/Carer,

As we move towards the summer examination series, I thank all the students for their contribution and commitment to college life. It has been lovely this week to celebrate rewards assemblies with Years 7-11 and congratulate students personally on their efforts to date. Students have been congratulated for attendance and achievement points, in addition to receiving their rewards certificates from last half-term. As a reminder, students have been shown the top 10% of students for achievement points so they are all aware of where the threshold lies for the end of year rewards. As a reminder, the deadline for eligibility for the trip is the end of this half-term (Friday, 27th May) so students must keep collecting their achievement points! Additionally, we will be running the end of year raffle for all those students who have received the threshold of gold/platinum awards throughout the year.

It was great to see Year 7 get out on their geography field trip to Dovedale this week. I know the geography team promote the first hand-experience of students on such visits and were thrilled with the behaviour of the students. Year 10 students participated in their drama practical this week over a couple of days. Congratulations to the Year 11 football team who beat The Cheadle Academy 4-2 earlier in the week.

It is very much the final approach to GCSE and A Level examinations, with students in both year groups receiving their final messages and key information. I remind students across the college that the examinations commence on Monday, 16th May and therefore we will be asking all students to be mindful of noise as they move around the college site and to be aware of daily announcements which could affect room changes or lunchtime arrangements as we work to ensure students are given the very best opportunity to succeed.

In the gospel on Sunday, we hear of the Good Shepherd (John 10:27-30). It is important for all of our young people preparing for examinations to remember that they are loved and guided by Jesus, the Good Shepherd and for our entire college family to be good shepherds to each other as we support one another through the weeks ahead.

God Bless,

R. A. Waugh
