Dear Parent/Carer,

Congratulations to the Year 11 football team who won their final match against The Cheadle Academy last week (4-2). Congratulations to Year 7 and 8 for their fantastic efforts in the Parable of the Talents fundraising activity. Our Facebook page includes some of the great stories but each and every student who has participated should be proud of their efforts and recognise the gospel values in their actions. As a result of the activity students have raised over £7,500 for Cafod's Ukraine appeal and the Teenage Cancer Trust.

In other news this week, Year 10 business students participated in a very wet visit to Chester Zoo, some students took part in the ABRSM music examinations, Year 9 sat an external maths examination and participated in the 'Bright Futures' morning. Year 12 participated in their D of E gold practice expedition, Year 13 celebrated their time in our sixth form with a celebration morning before their examinations commence, Year 11 & 13 concluded their MFL speaking test and the Year 11 revision timetable has commenced in preparation for the GCSE examinations.

Next week marks the beginning of the examination season. We wish all the Year 11 and 13 students the very best of luck as they begin their exams and I know the students in all the other year groups will be respectful of the impact this time of year has in school.

In the gospel on Sunday (John 13: 31-35), Jesus tells his disciples: "I give you a new commandment: love one another; just as I have loved you, you also must love one another. By this love you have for one another, everyone will know that you are my disciples." It is important to reflect on the love that Jesus has shown to us and how we continue to share that love with others.

God Bless,

R. A. Waugh
