Dear Parent/Carer

I have to commend our students who attended the ski trip last week. I have received numerous messages and comments about the exceptional attitude and resilience of all those who took part in the visit.

During the course of this week, some students have had the opportunity to participate in activities provided by the YMCA on resilience and self-confidence, STEM activities provided by Learn to Design, sport activities from ASM, dancing and drumming workshops, leadership and teamwork opportunities provided by Pioneering Leadership and first aid skills provided by Entrust. The students entered into the spirit of all the sessions and responded very well.

In the week ahead, we wish our geography students well as they embark on the long-awaited visit to Iceland. In addition, we are preparing the finishing touches to our gym festival. Letters regarding tickets for the festival were sent earlier in the week.

As we journey through Lent, students in Year 7 will have the opportunity to receive the sacrament of reconciliation. We are also preparing for the Born for This service at the end of term.

As a reminder, Year 8 parents' evening is on Thursday, 23rd March and the Year 11 re-arranged parents' evening is on Thursday, 30th March.

In the gospel on Sunday (John 9:1.6-9.13-17.34-38), we hear the story of the man born blind. It challenges us to consider how we can bring Jesus' light to other people?

God Bless

R. A. Waugh
