Dear Parent/Carer

It has been another marvellous week in college this week. On Thursday, we celebrated our whole college Mass for the feast of SS Peter and Paul. It was the culmination of a huge amount of input from so many in our Painsley family. Students planned the liturgy and all departments took some responsibility for parts of the planning or liturgy. All lessons in the morning were an opportunity to reflect on department saints and prayers and how each curriculum area reflects Catholic social teaching within their subject area. The highlight was celebrating Mass with all staff and students and I thank Fr Eric, Fr Martin and Deacon Peter for all their love, support and dedication to the Painsley family. Students even enjoyed an ice pop to celebrate the feast day.

In other news this week, Year 10 geography students have visited the River Dane as part of their course, Year 9 business students visited Cadbury World, Year 9 & 10 artists participated in an art workshop and selected Year 9 students engaged in an engineering workshop. We had an inspirational STEM rocket day on Monday, which Year 7 were involved with all day, but other year groups experienced throughout the day. Thank you to the families who joined us in the evening to enjoy such a fantastic experience. Additionally, Year 7 received their full reports and Year 11 joined us for their sixth form transition days.

I have the pleasure of announcing the winners of the PTA monthly draw:

Please refer to the letters that have been sent out for each of the relevant year groups.

In the gospel on Sunday (Matthew 10:37 – 42), we are reminded that God should be placed above our most precious worldly possessions.
