Pupil premium strategy statement

2023-26 Evaluation September 2025

This statement details our school's use of pupil premium (and recovery premium for the 2023 to 2024 academic year) funding to help improve the attainment of our disadvantaged pupils. It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

Detail	Data
School name	Painsley Catholic College
Number of pupils in school	1136
Proportion (%) of pupil premium eligible pupils	15.2 %
Academic year/years that our current pupil premium strategy plan covers **(3-year plans are recommended)**	2023-2026 Year 2 is 24/25
Date this statement was published	September 24
Date on which it will be reviewed	September 25
Statement authorised by	Mrs R Waugh (Principal) Mr R. Gibson (Chair of Governors)
Pupil premium lead	Mr F Waugh (Vice Principal)
Governor / Trustee lead	Mrs L Alcock (Local Governing Body representative)

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£ 192, 510 (July 24 census)
Recovery premium funding allocation this academic year	N/A
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	N/A
Total budget for this academic year If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year	£ 192, 510 (July 24 census) (N/A)

Part A: Pupil premium strategy plan

Statement of intent

At Painsley, we live the mission statement of our school: 'In our College we value and respect every person as a child of God, as we grow together in faith, knowledge, understanding and love to serve the community.' Our mission is summarised in the motto 'Know Yourself'. In addition, the 'Painsley way' is guided by Gospel values and Catholic social teaching. Through this we guide and encourage all students to achieve academic excellence and ensure their God-given gifts and talents flourish and especially all disadvantaged pupils in our school by prioritising support with need.

What are your ultimate objectives for your disadvantaged pupils?

The focus of our pupil premium strategy is to support disadvantaged pupils to achieve high attainment and progress in all areas of the curriculum and especially for high attainers, and in RE (core of the core curriculum), English and maths. This focus supports disadvantaged pupils to make consistently good progress by knowing more, remembering more, and doing more in all areas of the curriculum.

Quality first teaching is at the centre of our strategy in all curriculum areas and especially within areas in which disadvantaged pupils require the most support. This is in order to close the disadvantage attainment gap so that disadvantaged pupils' attainment and progress will be sustained and improved in line with that of non- disadvantaged pupils. This focus fosters pupils enjoyment of their learning and development of interest, passion, enthusiasm for their work as well as excellent behaviour for learning.

Attendance of disadvantaged pupils is also a focus area. The attendance of all pupils in the school should be, at least, at the target level of 97%. This is to ensure that all pupils, including disadvantaged pupils, maximise their learning opportunities at school. A range of strategies will be used to support and challenge attendance issues so this can be achieved. This assists in fostering engagement, development of knowledge and understanding, supporting health and wellbeing as well as the skills of being a competent learner.

Our disadvantaged pupils should have full access to the entire range of enrichment opportunities to enhance their educational experience. We will work closely with families to support the inclusion of disadvantaged pupils in such experiences to support their educational development, especially with retreat and other residential experiences so that they actively participate in, and contribute to, opportunities provided by the school cultural capital.

Our approach also ensures that disadvantaged pupils have access to excellent pastoral care and careers guidance, in order that they can make informed choices about their career pathway and next steps for their futures. This focus allows pupils to embrace their personal responsibility to care for our Common Home, pursue the common good and to serve those in need, as well as develop a deep

respect for their own personal dignity and that of others all of whom are made in the image and likeness of God.

How does your current pupil premium strategy plan work towards achieving those objectives?
At present, we focus on the key challenges that are preventing our disadvantaged students from attaining well: This includes attendance of disadvantaged students in all year groups, performance in Basics 5+, overall progress across all subjects, progress in maths, performance of disadvantage boys especially those who are SEND. Our approach continues to be rooted in robust diagnostic assessment and responding to gaps that assessment identifies. In this we guide and encourage all students, especially disadvantaged pupils, to achieve academic excellence and ensure their God-given gifts and talents flourish and especially all disadvantaged pupils in our school by prioritising support with need.

What are the key principles of your strategy plan?

- Outstanding education for all pupils regardless of their background through recruitment, retention of staff and the use of the PAINSLEY model (based on Rosenshine's educational principles) as best practice for teaching and learning. This is further supported by the Painsley coaching model that facilitates the quality assurance and further development of first-class teaching using the support of external lead practitioner.
- Recruitment, retention, and professional development opportunities for staff. The investment in staff development involves 2 days guaranteed individual and bespoke opportunities as well as a learning ticket to purchase resources to complement their professional development.
- The development of specialist subject working groups across the MAC including RE, English and Science.
- Exceptional communication skills across the school to enhance the spiritual development, life chances and opportunity of all in our community. This is shown in excellent communication between school and home to identify area of focus and provide bespoke support to meet the needs of individual circumstances, as well as responding to areas raised in pupil and parent surveys.
- For the gap between disadvantaged and non-disadvantaged pupils to be significantly lower than the national gap by 2028 through targeted academic support for disadvantaged students including intervention, small group tuition, as well as assessment and examination support.
- Provision of excellent opportunities for all students, especially disadvantaged students, including enrichment and careers guidance.
- Provision of strategies to support disadvantaged students with their attendance, and wellbeing.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	*Raising Progress of disadvantaged pupils from their starting points at KS2 in all subject areas and especially in RE (core of the core curriculum), maths, science, German, Spanish, geography, business studies and computing. Data should reflect that disadvantaged pupils are at least in line with all pupils nationally and aims to be in line with the school target by 2026.*
2	*Developing the performance of lower and higher attaining disadvantaged students Data should reflect that disadvantaged pupils are at least in line with all pupils nationally. Data shows that there is a gap between the progress disadvantaged lower and higher attainment and expected progress of all Painsley pupils This should be diminished in line with school target by 2026.*
3	*Development of attainment and progress of pupils in English and Maths.* *In English, on entry to year 7 there is a gap of 1.49 (2023) and 2.00 (2024) scaled score between disadvantaged and non-disadvangtaged pupils. This difference is also evident in same cohort where the attainment gap between Y7 and Y11 does not diminish consistently.* *In maths, on entry to year 7 there is a gap of 1.72(2023) and 3.2 (2024) scaled score between disadvantaged and non disadvangtaged pupils. This difference is also evident in same cohort where the attainment gap between Y7 and Y11 does not diminish consistently.* *In addition* *In English on entry to year 7 in the last 5 years, between 21% of our disadvantaged pupils arrive below age-related expectations compared to 19% of their peers. This gap persists during pupils' time at our school with a gap of 11 % in the achievement of 5 + (69% disadvantaged compared with 81 % non-disadvantaged in GCSE 202 English Language).* *In maths on entry to year 7 in the last 5 years, between 16% of our disadvantaged pupils arrive below age-related expectations compared to 12% of their peers. This gap persists during pupils' time at our school with a gap of 28 % in the achievement of 5 + (42% disadvantaged compared with 70% non-disadvantaged in GCSE 2024 in Maths).*
4	*Further development of aspirations and opportunities for disadvantaged pupils through effective careers guidance.Destination data should show that all students are in education or employment after Year 11, especially disadvantaged students. The risk of NEET index (pupils at risk of not being in education, employment or training) should be closely monitored to proiortise guidance for pupils and families.*
5	*Ensuring excellent attendance of disadvantaged students. Attendance of disadvantaged students should be at least 97%, in line with all students. Current data indicates from July 24 that there are gaps in the attendance of disadvantaged students in all years, although these are reducing over time in some areas. Across the school there is a gap of more than 2% between disadvantaged and non-disadvantaged pupils across the school.*

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Further improve the Progress of disadvantaged pupils from their starting points at KS2 for all year groups, especially Year 11 in RE (core of the core curriculum) maths, science, German, Spanish, geography and computer science.	The progress of Disadvantaged students is at least in line with the progress of other students nationally and line college target for all students, the gap diminishing by 0.09 by 2026.
Further improve progress of lower and higher attaining disadvantaged students for all year groups and especially in Year 11.	Lower and higher attaining, students to perform at least in line with all non-disadvantaged Higher attaining students nationally also aim to make progress in line with all students achieving the college target by 2026 and the gap diminishing by 0.05 and 0.86 respectively).
Further improve outcomes for all disadvantaged pupils, especially in English and Mathematics.	Disadvantaged students to perform at least in line with all non-disadvantaged students nationally in English and Mathematics. Disadvantaged students to achieve average attainment in English and maths that is above National other data diminishing the gap by 0.3 in English and 0.7 in Maths by 2026. Reading ages tested for all pupils in Year 7 and 8. Pupils in reading programme to improve from starting points by 6 months (impact of reading – EEF).
Development of aspirations and opportunities for disadvantaged students including careers guudance	Disadvantaged students have increased exposure to careers guidance with at least 3 careers-based events each academic year including university and employer encounters. All disadvantaged to have priorities careers interview and additional following risk of NEET index review.
To further improve attendance for disadvantaged students in all year groups.	Disadvantaged students to attend at least in line with all non-disadvantaged students nationally. Attendance gap of 3% currently to reduce to 1% currently across all year groups between disadvantaged and non-disadvantaged pupils by 2026.

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £70, 000

Activity	Evidence that supports this approach	Challenge number(s) addressed
CPD for staff relating to the Teaching school hub and Maths Hub- to support Early Career teachers, Initial Teacher training, National Professional Qualifications and opportunities including EEF feedback guidance. Teaching School Hub and Maths Hub will be used to provide a range of Teaching activities next year including; Secondary Maths programme. This will include quality assurance of application of course knowledge through class visits/ student voice/ data points and will have a focus on the coaching model and mastery through the Neriage technique. Development of Specialist department hub collaboration across the Mac, including Painsley subject leads in science and mathematics. Developed links with the local Research school and engagement with RS courses and developing links with other outstanding schools, providing external support and verification for all subject areas. This will be a specific focus as part of the appraisal process for all staff. All staff to be provided with 2x 1-day bespoke Professional development (PD) opportunity alongside a learning ticket to purchase resources to support PD. Findings and feedback from courses to be shared through school briefings/strategic meetings – evidence of application in lesson visits. MFL assistant to support Speaking and listening (1 x 1-day support per week) to be working at least 60% of the time with disadvantaged pupils.	Quality of Teaching for All (EEF Reducing Class sizes +2/ small group tuition +4/ Mastery learning +5) https://educationendowmentfoundation.org.uk Guidance Report from EEF – strategies to support Professional development.	1, 2, 3

Reviewing and embedding of the MAC wide teaching and learning strategies including the Painsley Teaching and learning Acronym, revised assessment policy, cultural capital, Etymology and Spaced learning to further support metacognition and mastery at KS3&4. This is to be supported by the Coaching strategy to facilitate first quality teaching. This will include sharing of good practice across the MAC and beyond the MAC. Bespoke INSET sessions (6 x2 hrs plus additional hours per year) with Educational lead Mark Cotton to support the development of the oracy in teaching and learning with all departments and all staff. Release time for staff to take part in PD related to quality first teaching including instructional coaching including the following; Quality of questioning (I) Quality of written communication in books (L) Evaluating learning (A) during lessons including the quality of oracy and writing in lessons (S/E) Focus on meeting the needs of SEND and disadvantaged children so they achieve exceptionally well 'Coach to coach' training as for new staff as appropriate including the effective use of teaching assistants. Further development of teaching and learning library to support the Painsley model of teaching and learning with the purchase of the identified texts from staff voice. Preparation of teaching and learning CPD sharing sessions by all departments to support staff with the effective use of the effective use of oracy and writing and the PAINSLEY acronym. All departments to arrange coaching sessions focuses on the Oracy them of INSET to share across the school to support first quality teaching and its impact on our disadvantaged and all learners. Delivery of Gifted and Talented provision to support HAT students in 7-11 including disadvantaged pupils through higher educational opportunities such as the Scholars programme. The trialling of the Neriage technique across the department in mathematics across all groups from 7-11, and implementation in identified teaching groups in year 7 following trials in 2023/24.	Improve Outcomes for PP Students in curriculum areas including Mathematics and English (EEF- Mastery Learning +5/ Metacognition +7) https://educationendowmentfoundation.org.uk <u>Rosenshine's Principles</u>	1, 2, 3

Use of the Painsley data tracker to support teaching and learning with the identification of students requiring different levels of support (4 assessment points for each year group, with 3 for Y11 and 13). Use of FFT Aspire account as data tool to monitor and set aspirational targets. Use of Entrust provider to diagnose access arrangement for GCSE students including provision for disadvantaged students.		1, 2, 3
Development of resources/ opportunities in all subjects to support teaching and learning and Literacy across KS3 &4 with £300 provided for departments to support teaching and learning initiatives for disadvantaged students, where required. E.g. increase in participation in music with music workshops from Entrust and the Educake online learning support for science and language nut in MFL.	Improve Outcomes for PP Students in curriculum areas including Mathematics and English (EEF- Mastery Learning +5/ Metacognition +7) https://educationendowmentfoundation.org.uk KS3 Literacy – Improving literacy in secondary schools EEF Improving Literacy at KS2 - EEF	1, 2, 3
Development of careers related opportunities for disadvantaged pupils in all year groups to support aspiration and motivation as part of the Careers hub. 3 bespoke activities for each year group will be provided which meet the local context and develop the aspirations of pupils. Additional hours booked with Entrust Careers advisor with priority for all disadvantaged students in Year 11 and identified students in Year 10. A bespoke workshop led by employers/universities for disadvantaged students is to be provided for Year 9 pupils. An Information and guidance (IAG) hub to be developed across the MAC with all secondary schools and primary representative. Subject IAG themes to be development to further promote subject specific guidance across the Advent, Lent and Pentecost terms.	Quality of Teaching for All (EEF Mastery learning +5) https://educationendowmentfoundation.org.uk	4

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £ 70, 000

Activity	Evidence that supports this approach	Challenge number(s) addressed
Provision of Summer school to support transition of disadvantaged pupils from primary school over a bespoke 3-day programme in addition to other transition days for all pupils. Provision of additional transition support for disadvantaged students including information for parents and teacher transition meeting in July 25. Communications with pupil premium families to take place during transition period including new induction parents evening, communication via primary schools and in September of Year 7.	Teaching and Learning – (EEF Summer Schools +3) https://educationendowmentfoundation.org.uk	1, 2, 3
Provision for targeted academic support of middle and high attaining disadvantaged pupils in all Key Stages including effective use of teaching assistants and daily interventions as well as coaching training to support pupils in lessons. Period 0 and period 6 additional sessions for Year 11 and Y10 pupils from all teaching staff. Academic resilience support for disadvantaged pupils including lower and higher attaining pupils via the Emmaus programme and bespoke pastoral support. Family learning opportunities to be used to support development of skills and foster positive relationships with home, pupil and school. This is planned to take place 3 times per year for KS3 with 6 sessions in total. The focus areas include Advent term – Healthy mind – arts workshop 1x 2h30 session. Lent term- sports and physical health 3 x 1h30 workshops (planned to take place in Pentecost 1) Pentecost term – Healthy eating Ready Steady Cook workshop 1x 2h30 session.	Teaching Assistants PP Provision & Intervention (EEF – extending school time + 3/ use of Teaching Assistants +4) https://educationendowmentfoundation.org.uk https://www.olevi.com/our-programmes/outstanding-teaching-assistant-programme-otap/	1, 2, 3
Targeted catch up programme for disadvantaged pupils of interventions in a small group tuition programme for Year 7- 11 students through the Painsley Maths Hub team- 4 hours per fortnight, English 6 Hours. Additional hours in Science and MFL to be explored.	Quality of Teaching for All (EEF small group tuition +4/ Mastery learning +5) https://educationendowmentfoundation.org.uk	1, 2, 3

Provision of study skills through the Pastoral programme and study facilities/enhancement through PP homework (4 session per week) clubs. Dedicated support for Key Stage 4 during the Easter and Lent and Pentecost holidays (2 weeks and 1 week respectively).	Half-term support and intervention/ Success Criteria and Homework (EEF- Extending school time +3/ Homework +5/ Feedback +6) https://educationendowmentfoundation.org.uk https://www.gov.uk/government/publications/supporting-send/supporting-send	1, 2, 3
Improve literacy and skills for disadvantaged students with the use of the Star reader assessment in Year 7 and 8. 16 X Year 12 students leaders trained to deliver support in English with KS3 students (weekly oracy 1 to 1 session for all identified students. This is also supported by 5 hours of English teacher tuition time. Department libraries for pupil use are to be developed for use across the school alongside ongoing CPD for staff for effective literacy support. Subscriptions to relevant organisations to be made available for support literacy at subject level (1 subscription for each subject area)	Improve literacy and number skills for disadvantaged students (EEF- Reading and Comprehension + 6/ Mastery Learning +5) https://educationendowmentfoundation.org.uk KS3 Literacy – Improving literacy in secondary schools EEF Improving Literacy at KS2 – EEF	1, 2, 3

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £ 52,510

Activity	Evidence that supports this approach	Challenge number(s) addressed
Provision of a Breakfast Club for disadvantaged pupils, where required in order to ensure the best start to the school day as well as facility to keep up to date with school work. This will be supported by the support staff member as well Period 0 study sessions from Advent 2024. Provision of free toast facilities at breaktime for identified pupils every day, supported by student leaders.	Following the implementation of school breakfast clubs, teachers have reported gains in terms of school attendance, punctuality and motivation (increased attainment) and quality of life (social deprivation, behaviour and nutrition) of many children involved in the UK. (Research Excellence Framework) EEF- Extending school time +3	1, 2, 3, 4, 5
Strategies to support attendance of disadvantaged students: embed the school attendance app to allow parents to monitor school attendance, continued support by the Education Welfare officer, effective monitoring by the Painsley Pastoral lead system, including first day phone contact for absence of disadvantaged pupils for students in KS 3&4. Use of PP funds to subsidise transport for disadvantaged students where transport cost is a challenge to attendance. Use of FFT Aspire account to monitor attendance.	DfE research (May 22) on improving attendance at school found that: • Pupils with higher attainment at KS4 had lower levels of absence over the key stage compared to those with lower attainment. • Pupils who did not achieve grade 9 to 4 in English and maths GCSEs in 2019 had an overall absence rate of 8.8% over the key stage, compared with 5.2% among pupils who achieved a grade 4 and 3.7% among pupils who achieved grade 9 to 5 in both English and maths. • Among pupils with no missed sessions over KS4, 83.7% achieved grades 9 to 4 in English and maths compared to 35.6% of pupils who were persistently absent. Pupils with persistent absence are less likely to stay in education Advice from the National Strategies (hosted on the National Archives) says that: • The links between attendance and achievement are strong • Pupils with persistent absence are less likely to attain at school and stay in education after the age of 16 years	1, 2, 3, 5

	https://www.bps.org.uk/ School attendance, exclusion and persistent absence	
Pastoral Support to promote the wellbeing of disadvantaged pupils and support wellbeing concerns through the dedicated Emmaus and pastoral lead system, safeguarding team and enhance provision for school counsellor access. This also include social, emotional and resilience support for identified disadvantaged students as well as CPD for Pastoral staff (e.g. behaviour management and self-regulation) and fast-tracked diagnosis for SEND PP students. Additional funds are to be provided to support Wellbeing literature through Library access for pupils in Lent term. Coaching support for identified bespoke groups from September 24 to provide extended support and challenge in working towards target outcomes and next steps. The Emmaus Review process to be implemented to review and support identified vulnerable students from across the school, reviewing their progress on regular basis with Key stake holders; PP Lead, SENDCO, Safeguarding lead, and senior Pastoral Leads. Pastoral Support Programmes to support resilience and character development for disadvantaged pupils. Possible programmes include; • ASM resilience sports programme. • Progressive Masculinity Behaviour, appropriate language use and respect. • WhysUp – vaping and addiction support • Peak District Survival – resilience Outward Bound residential experience for Year Pupil premium including pupils attendance concerns. Evaluated Personal development programme to provide targeted and	Teaching and Learning – (EEF social and emotional learning+ 4) https://educationendowmentfoundation.org.uk	1, 2, 3, 4, 5

sequenced support for students in all Years addressing a range of pastoral and citizenship issues through the 'Painsley Way'		
Provision of bespoke support for students to ensure they can fully access education at Painsley. This will include working closely with families to ensure support during the financial crisis. This will take place through exceptional communication; • 3x contact points for parents with pastoral leads, to review academic and pastoral progress and support in Key stage 3 and 4.Termly letters and reminders • Induction meeting with Y7 parents with Pupil premium focus • Transition communications with pupil premium parent • Transition meeting with Y6 teachers to review individual progress and successful strategies • Provision of drop in for parents at all parent information evenings. • Development of uniform store to support families. • Development of the Painsley pantry to support families in need. Areas of support may include subsidising transport costs, uniform costs, ready to learn educational equipment, assistance with music tuition, ICT equipment and educational visits including the Lourdes Pilgrimage and Duke of Edinburgh award scheme. Development and audit of bespoke educational support for children under the care of the local authority in liaison with the safeguarding team. Development of Allotment in school to support the provision of food for vulnerable families as well support	Teaching and Learning – (EEF parental engagement + 4) https://educationendowmentfoundation.org.uk Working with Parents to Support Children's Learning -EEF	1, 2, 3, 4, 5

health and wellbeing of individual students through alternative activities Provision of the Painsley Pantry and Uniform Store to support families with food items and uniform		

Total budgeted cost: £ 192, 510

Part B: Review of outcomes in this academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2023 to 2024 academic year during the Advent term.

This details the impact that our pupil premium activity had on pupils in the 2023 to 2024 academic year during the Advent term.

Teaching

- *Recruitment of specialist staff has included additional staffing maths, science and MFL.*
- *Additional support in Year 11 PP in Maths and KS3 Reading has been in place.*
- *CPD for school staff has included fully embracing the ECT development programme, facilitating the provision of NPQSL and NPQML for several staff. This has also included bespoke CPD for staff across the MAC on Teaching and learning with the PAINSLEY acronym at its focus.*
- *Coaching is embedded across the school with all teaching members of staff involving in the entire coaching process at least once per month. Coaching processes for Teaching assistants have developed with training for teaching assistants to support the coaching process for classes.*
- *Coach to coach training has taken place for a number of staff to ensure that trained staff can support the coaching process in all department areas, providing quality assurance.*
- *Educational consultant, Mark Cotton has worked with Maths, MFL and Science departments on the coaching process and development of pedagogy at secondary level. As a result, teaching, learning and assessment policies have been reviewed in order that there is even greater impact on pupil progress.*
- *MAC training on oracy and written practice has taken place through ongoing training for all staff across the MAC including use of speaking frames, reciprocal reading, questioning dual coding, use of the learning environment and exploratory talk.*
- *PP guidance has been shared with departments via the Wednesday morning in the Advent 2024 and Pentecost 25 via a briefing session and via a termly MAC network meeting as well as a governor review and a MAC governor meeting in the Advent and Pentecost terms.*
- *External support has been used across departments in school e.g. with external marking, moderation and planning being a focus to support examination preparation, where appropriate.*
- *There is a research-based linked to Appraisal or all staff across the MAC. This will be reviewed in October 25 as part of the Appraisal cycle.*
- *Subject bids have been received in a number of subjects to support PP students.*
- *The IAG programme has taken place including opportunities for all students including disadvantaged students Year 11 disadvantaged students have been prioritised for careers interviews.*
- *Review of role of Gifted and Talented coordinator has taken place with identified staff working across Ks3 and KS4. This has been broadened to support HAT students in 7-11 including disadvantaged pupils. This has led to range of opportunities for pupils including study sessions, thinking skills as well as the scholars programme, which has concluded in July 25 for 14 pupils graduating with honours from the programme at Sheffield university.*

Targeted Academic Support

- *Data is used in school to monitor and evaluate progress for all students with a particular focus on disadvantaged students and vulnerable group. This is used in school to identify students that require additional support with interventions etc.*

Year 11 GCSE Mock Data is summarised as follows (progress measures are not available in 2025)

Year 11 Headline Measures for August 25				
Measure	**PP (28)**	**NPP (185)**	**GAP**	**Subjects with attainment for PP that is in line with or above that of Non-PP.**
				Computer Science, Combined Science, Chemistry, Physics, Music, Photography, Business Studies, Creative I media
Ebacc	**4.74**	**5.50**	**-0.76**	
Attainment 8	**52.1**	**59.8**	**-7.7**	
Basics 5+ %	**53.6**	**65.3**	**-11.7**	

Progress Analysis from Year groups 7-10 April 25 N.B. Estimates for 2024 are used for progress measures a guide for comparison only

Year Group	PP Progress	NPP Progress	GAP	Subjects with positive progress for PP students
10 **28 PP/ 198 NPP**	**0.12**	**0.03**	**0.09**	**Technology, Food Technology Computing, Geography, Spanish, Enterprise, Health and social care, Drama and PE BTEC**
9 **30 PP/ 200 NPP**	**0.22**	**0.71**	**-0.49**	**English, RE, Technology, Health and Social Care, Art, French, History and PE and**
8 **24 PP/ 206NPP**	**1.34**	**1.41**	**-0.07**	**English, Maths, Science, Spanish, Computing, RE, Drama, History, Geography, PE, Music, Art, Technology,**
7 **36 PP/ 193 NPP**	**1.23**	**1.33**	**-0.10**	**English, Maths, Science, French, Computing, History, Geography, PE, Music, Art, Technology, RE and Drama**

Data outcomes indicate positive progress in most year groups and especially in Year 7, 8, 9 and 10. PP progress is above that of NPP in Year 10 and broadly in line in Year 8 and 7. Gaps in other attainment measures and this is an ongoing area of focus.

- *Progress for PP is also positive in many subject areas in each year group, although this is variable is different year groups.*

- *Maths support is in place for 3 groups of Y11 (22) pupils from September 24, focused mainly on disadvantaged pupils. Outcomes from progressively more challenging internal assessment points indicate the trend shown in the table below.*

Year Group	*Overall decline in attainment in Maths October to August 25*	*Overall sustained attainment in Maths October – August 25*	*Overall increase in attainment in Maths October to August 25*
11	*0*	*5*	*17 (9 students improved by 1 grade and 8 students by 2 grades across the year)*

- *Homework clubs are in place for SEND students as well for disadvantaged students with support from staff. This has taken place for 5 nights every week in the Lent and Pentecost terns.*
- *Family learning Arts session in Advent 24 has taken place with 10 participants. Evaluations are very positive with 100% agreement with all areas including the development of personal skills, confidence and wellbeing. The sports related ASM session due to commence in Pentecost 25.has been postponed to October 25*
- *Literacy support continues to be developed in school. Support interventions are provided by school and sixth form learning mentors. 16 students enrolled in this support in Year 7. This support has been in place from September 24. Performance is measured by outcome in English assessments. Reading test will be take later in the year.*

Year Group	*Overall decline in attainment in English October to July 25*	*Overall sustained attainment in English October to July 25*	*Overall increase in attainment in English October to July 25*
7	*2*	*4*	*10*

Wider Strategies

- *Breakfast club provision is now available to all students. This continues to be raised further with Pastoral leads to signpost this for disadvantaged students in school. Additional facilities have been provided for students that require support through the provision of free toast at breaktime.*
- *Attendance and punctuality data is shown in table below. Differentials are diminishing in most year groups across the advent and lent term for attendance and punctuality This remains a continued area of focus for all groups especially in years 8 9. N.B. figures for y11 are April and December only.*

Year	Attendance PP July 25 (April 25)(Dec 24) %	Attendance NPP July 25 (April 25) (Dec 24)%	GAP July 25 (April 25) (Dec 24) %
7	93.7 (93.83) (93.98)	97.2 (97.52) (97.75)	-3.50(- 3.69) (-3.77)
8	92.4 (92.48) (91.30)	96.70 (96.77) (97.01)	-4.30(-4.29) (-5.71)
9	91.6 (90.84)(92.01)	94.7 (95.18)(94.81)	-3.1(-4.34)(-2.80)
10	93.4 (94.17)(93.89)	91.3(95.43) (95.55)	-2.1(-1.26)(-1.66)

- *Pupil premium contact has taken place in across the year with pastoral leads contacting families to liaise with them over academic progress and pastoral issues. This raises awareness and provide discussion over bespoke support. This has been reviewed to promote effective monitoring and support of pupil premium pupils.*

- *Pastoral support- school counselling hours have been increased in school to support vulnerable students including disadvantaged students with 22% of sessions supporting pupil premium students compared to 78% of sessions supporting non-pupil-premium students in the Pentecost term.*

- *Review of pastoral support has taken place to prioritise support for most vulnerable students in each year group to be supported by Leadership link person. Pastoral support is evident in the number of behaviour points for students. These figures are shown below;*

Measure	Pupil Premium July 25	Non-Pupil Premium July 25	SEND July 25
Achievements Points average	356	270	322
Behaviour Points average	48	19	47

- *Bespoke Support for students continues to be a priority in school, supporting students with providing and enabling opportunities. In this £7833 has been used in the support of educational visits, £1942 used to support music tuition, £18360 has been used to support with transport, £1894 has been used to support with uniform and £ 2229 has been used to support educational resources. Figures are for the period September 24 to July 25.*

- *Trips analysis demonstrates uptake to date (April 25) for educational visits as follows;*

Externally provided programmes

Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England

Programme	Provider

Service pupil premium funding (optional)

For schools that receive this funding, you may wish to provide the following information:

Measure	Details
How did you spend your service pupil premium allocation last academic year?	
What was the impact of that spending on service pupil premium eligible pupils?	

Further information (optional)

Use this space to provide any further information about your pupil premium strategy. For example, about your strategy planning, or other activity that you are implementing to support disadvantaged pupils, that is not dependent on pupil premium or recovery premium funding.
