Forming Christ-centred pilgrims of hope with kind hearts, questioning minds, a thirst for knowledge and a hunger for justice.

Wellbeing Strategy

Key foci in response to student, parent and staff voice

Explicit links made between **Catholic social teaching** and **mental health** and **wellbeing**

The vision and strategy for wellbeing is **specifically defined** including **involvement in the local commissioning mental health prevention** group

Sixth form students maintain their **profile as ambassadors and role models** for all students

Parental voice is not only **encouraged but sought and responded** to

Even greater **opportunities for staff voice** to be heard and realised

Multi-faceted approach to **student voice** is embedded into all areas of college life and encapsulates the **views of all groups of students**
