## Acceptable use of the school's ICT facilities and internet: agreement for students and parents/carers

**Name of student:**

**When using the school's ICT facilities and accessing the internet in school, I will not:**

- Use them for a non-educational purpose
- Use them without a teacher being present, or without a teacher's permission
- Use them to break school rules
- Access any inappropriate websites
- Access social networking sites (unless my teacher has expressly allowed this as part of a learning activity)
- Use chat rooms
- Open any attachments in emails, or follow any links in emails, without first checking with a teacher
- Use any inappropriate language when communicating online, including in emails
- Share any semi-nude or nude images, videos or livestreams, even if I have the consent of the person or people in the photo/video
- Share my password with others or log in to the school's network using someone else's details
- Bully other people
- Use AI tools and generative chatbots (such as ChatGPT or Google Gemini):
    - During assessments, including internal and external assessments, and coursework
    - To present AI-generated text or imagery as my own work

I understand that the school will monitor the websites I visit and my use of the school's ICT facilities and systems.

I will immediately let a teacher or other member of staff know if I find any material which might upset, distress or harm me or others.

I will always use the school's ICT systems and internet responsibly.

I understand that the school can discipline me if I do certain unacceptable things online, even if I'm not in school when I do them.
